

ANNUAL BUSINESS RESPONSIBILITY & OECD COMPLIANCE REPORT FOR THE YEAR 2025-26

1. **Introduction**

Rank International is a privately owned company established in 1994 and headquartered in Mumbai, Maharashtra, India. The Company operates in the gems and jewellery industry and specializes in the manufacture, import, and supply of precious metal jewellery findings, master alloys, chains, and other jewellery-related products for customers across domestic and international markets. Its product portfolio includes jewellery findings, master alloys, chains, precious metal products, Inverness ear-piercing systems, and other jewellery and personal-care products. The Company operates from its head office at Nandjyot Industrial Estate, Saki Naka, Andheri (East), Mumbai, with a branch office at SEEPZ, Andheri (East), Mumbai. Rank International is committed to providing high-quality products, time-bound delivery, a wide product range, international collaboration, and ethical business practices to its customers.

2. **Business Responsibility Statement**

Rank International is committed to conducting its business responsibly, ethically, and in compliance with all applicable laws, regulations, and internationally accepted standards. The Company supports responsible business practices and strives to integrate principles of ethical conduct, sustainability, transparency, and responsible sourcing into its operations, supply chain, and stakeholder relationships.

During the Financial Year 2025-26, the Company continued to focus on maintaining high standards of integrity, transparency, environmental responsibility, and respect for human rights while creating sustainable value for its customers, employees, suppliers, business partners, and the wider community.

2.1 Money Laundering, Terrorism Financing, Other Financial Offences

Recognizes the fact that entities in the gems and jewellery sector have to take on the onus of analysing their potential vulnerabilities to money laundering and implement specific steps that are required for protection against abuse by criminals.

Strict compliance is ensured at all the entities and compliance officer has been appointed who in turn reports to RANK INTERNATIONAL Management on compliance status on annual basis.

Know Your Counter Party and other compliance of Due Diligence is followed in line with OECD guidance.

Ongoing monitoring is carried out along with all stakeholders.

Area of concern & Remedial Measures

During the year, one of the key challenges was implementing the enhanced due diligence requirements for stakeholders, particularly obtaining Ultimate Beneficial Owner (UBO) information from overseas customers. Additional follow-up and communication were required to collect and verify the necessary UBO details.

2.2 Anti-Bribery and Facilitation Payment Policy:

The RANK INTERNATIONAL shall ensure complete prohibition Bribery and facilitation payment across organization and in all the entities.

RANK INTERNATIONAL has published compliance team contact details on website to receive any grievance or complaints.

Area of concern & Remedial Measures

Nil As on Date.

2.3 Ethical Sourcing of LGD stones and Precious Metal Policy:

The company is concerned about the environment and social impacts of irresponsible mining. Organisation has identified the risk of supply chain with respect to Conflict Affected High Risk Area.

The Company ensure all its supplies are screened for conflict free supplies.

We have published the OECD based ethical sourcing policy and we are communicating our policies to all the supply chain partners and pushing them to adopt the same.

Area of concern & Remedial Measures

Current concern is lack of awareness about OECD regulation and requirements of sourcing.

We have started creating awareness about our Ethical sourcing requirements for our supply chain.

We started Engagement with our global supply chain for obtaining the further supply chain information to ensure ethical and conflict free sourcing in metal business.

2.4 Social Compliance

We ensure full compliance with all applicable national and, where appropriate, international laws /

regulations with respect to employment and labour codes in all our establishment.

We respect all regulation for child labour, forced labour, non-discrimination, non-retaliation etc.

All work man rights are respected and adhere to freedom of association and collective bargaining regulations.

Area of concern & Remedial Measures

No significant social compliance issues were reported during the year that required remedial action at the company level.

Appropriate corrective and remedial measures are implemented based on observations from internal and external audits conducted by independent and reputed agencies.

2.5 Health and Safety

We at RANK INTERNATIONAL are concern about the health and safety of employees and are constantly studding about any adverse impact of our business processes are identified and eliminated. Towards this end, we will systematically review our operations to identify sources of health and safety related risks.

This review will use appropriate standards as required by prevailing laws, expert opinion, and our knowledge of best practices.

All our staff will be trained in the manner required to adhere to these work practices and drills.

The health of our staff, exposed to certain hazardous processes, is be monitored periodically through appropriate medical checks, and reviewed using expert inputs for improvements.

All workplaces are constructed to meet safety standards with local regulations as the minimum standards that will be applicable.

Area of concern & Remedial Measures

Nil as on date, as no accidents are reported in last one year.

Organization has been blessed and we did not have any fire or any other incidents leading to dangerous circumstances.

2.6 Human Rights

RANK INTERNATIONAL is not and will not interfere in the right of employees to observe tenets or practices based on caste, race, national origin, gender, religion, disability, union membership, or political affiliation.

The Company strongly discourages any form of sexually coercive, threatening, abusive or exploitative behaviour.

Any reported incidents relating to direct or indirect physical, sexual, racial, religious, psychological, verbal, or any other form of harassment or abuse, or any other form of intimidation or degrading treatment will not be tolerated by the company.

RANK INTERNATIONAL ensures that none of its suppliers and stake holder have engaged in any activity which can violate the Human Right Principles.

We have carried out the Human Right Due Diligence of suppliers and other Stake holders & based on risk assessment where necessary.

Area of concern & Remedial Measures

No Area of concern & Remedial Measures has been raised in the Human right for any of our operating units.

Supplier's further upstream compliance with respect to Human Right compliance for conflict free sourcing is a new development, where company is heading and would require more focus on the same.

2.7 Environment Protection

Rank International is primarily engaged in the manufacture, import, and supply of precious metal jewellery findings, master alloys, chains, and other jewellery-related products. Wherever applicable, the Company manages hazardous waste generated from its operations in accordance with applicable environmental laws, rules, regulations, and prescribed procedures. The Company ensures proper handling, storage, disposal, and record-keeping of hazardous waste through authorised channels and complies with the requirements of the relevant Pollution Control Authorities, including obtaining and maintaining the necessary Pollution Control Consents and approvals within the prescribed limits.

Area of concern & Remedial Measures

The Company has initiated the collection of data relating to the consumption of natural resources and electricity. This data is used to assess Scope 1 and Scope 2 greenhouse gas emissions and to monitor the Company's carbon footprint.
